Customer (glossary)

From SEBoK

**Customer**

*The organization or person that receives a product or service.* (ISO/IEC/IEEE 2015)

**Sources**

**Discussion**

There are 9 definitions in the SEVOCAB repository of glossary entries. Several of these are very specific to particular standards. See http://www.computer.org/sevocab for more detail.

**SEBoK v. 2.1, released 31 October 2019**
