Domain (glossary)

From SEBoK
domain

A problem space. (IEEE 2010)

Sources
IEEE. 2010. Standards for Information Technology.. New York, NY, USA: Institute of Electrical and Electronics Engineers (IEEE), IEEE 1570-2010.

Discussion
Common usage includes "domain of application" and "domain engineering." In both cases a specific problem space is implied.

SEBoK v. 2.4, released 17 May 2021
