**Enterprise System (glossary)**

From SEBoK
enterprise system

*A system context for which the system-of-interest is an enterprise.* (Created for SEBoK)

**Source**

This definition was developed for the SEBoK.

**Discussion**

This definition was developed to help distinguish between an enterprise and an enterprise system in the SEBoK.

**SEBoK v. 2.4, released 17 May 2021**
