Enterprise System (glossary)

From SEBoK
enterprise system

*A system context for which the system-of-interest is an enterprise.* (Created for SEBoK)

**Source**

This definition was developed for the SEBoK.

**Discussion**

This definition was developed to help distinguish between an enterprise and an enterprise system in the SEBoK.

**SEBoK v. 2.1, released 31 October 2019**
