Exploring the Relationship between Systems Engineering and Software Engineering

From SEBoK

Exploring the Relationship between Systems Engineering and Software Engineering

Usage

- Software Engineering in the Systems Engineering Life Cycle

Annotation

This paper reports on a workshop held by INCOSE, SERC and IEEE-CS to consider the relationship between SE and Software Engineering (SwE).

it makes suggestions about SE and SwE life cycle relationships; the education of SE's and SwE's and shared processes, models and tools.
