Henshaw, M., D. Kemp, P. Lister, A. Daw, A. Harding, A. Farncombe, and M. Touchin. 2011. "Capability Engineering - An Analysis of Perspectives." Presented at International Council on Systems Engineering (INCOSE) 21st International Symposium, June 20-23, 2011, Denver, CO, USA.

## Usage

---

This source is considered a primary reference for the Capability Engineering article.

## Annotation

---

This article is from the INCOSE UK Capability Working Group. It includes an in-depth analysis of capability engineering and its relationship to systems engineering. To view the abstract for this article, please see the 2011 International Symposium materials.
