

# Internode Interaction (glossary)

From SEBoK

internode interaction

a system resilience principle that states that every node, or element, of a system should be capable of communicating, cooperating, and collaborating with every other node.  
Jackson and Ferris (2013)

## Source

Jackson, Scott, and Timothy Ferris. 2013. "Resilience Principles for Engineered Systems." *Systems Engineering* 16 (2):152-164.

## Discussion

In a resilience context the internode interaction principle supports the integrity attribute.
